

THE SPACE

Capacity & Seating:

Flexible, A fixed raised seating bank, and unfixed chairs, with a maximum capacity of 85.

Stage Dimensions:

Flexible, roughly 7m wide x 4.5m deep x 3m height, depending on seating set-up/capacity. Stage is the floor (level (not raised))

There are 2 wings either side of the stage, and we can put up a backdrop to enable crossover if required.

There are 2 booths at the back of the stage which can be used in performances.

The bar is in the performance space. It can close during performances or stay open throughout.

The tech booth is located behind audience, in one of the fixed booths.

Please see video here for more context to the above.

PARKING & UNLOADING

This venue does not have dedicated parking. We have an unloading bay in a private car park at the back of the building which can be used for 1 hour to unload. We can arrange for parking for 1 car per show in this area, please make sure you've given a member of staff your registration for this to be possible.

- Green:** Entrance to the unloading bay on Union Street
- Blue:** Main entrance to Front room on Central Walk
- Yellow:** Pay & display car park - Carlton street car park. There is also plenty of on-street free parking the other side of the car park.

Venue address:

Front Room, 13 Central Walk, Weston-super-Mare BS23 1FF

We look forward to you bringing your show!
